SMS TEXT MESSAGE REMINDER CONSENT FORM

Dr. Beaman is now offering text message reminders for your booked appointments. The SMS service should not be solely relied upon, as the responsibility of attending and canceling appointments still rest with you, the client.

Messages are generated by a secure service, however, they are transmitted over a public network to a personal phone. The reminder will come from a 909 area code number, but it will not be from my office number. The reminder text will include the date and time of your appointment. The text message will not have any personal identifying information.

I _____ consent to Dr. Beaman contacting me by text message for the purpose of appointment reminders only. I will ensure that I keep Dr. Beaman informed of my most current mobile number or if the number is no longer in my possession.

Please input the cell phone number you would like me to use for this reminder text.
